8:00pm	Golden Arrows in the Kruidtuin Park: We will be inviting members of the public to take part in this special event. The golden arrows uses the conflict resolution steps throwing arrows of appreciation. We have done this type of public session before with great success. People are encouraged to come in pairs bringing their partner, son, daughter, father, mother, friend or even work colleague. There is always a positive shift in energy and a sense of hope which is really needed in these times. After experiencing this event and if you feel confident with facilitating the golden arrows you will be able to replicate this program back in your home town.
